MONDI

Caribbean Cuisine

Mondi is a Caribbean hospitality brand that celebrates the Caribbean ethos, cuisine, and ambiance. Simply put, Mondi is the fastest way for you to teleport to a Caribbean Island. Once you set foot in the restaurant, you will experience a place where food, culture, soul, and music join together. Since opening in 2019, Mondi has established itself as an oasis of Caribbean flavors, bringing an experience to the Netherlands like no other. Beyond our cuisine, our recurring events—such as Caribbean Nights, Mondi Weekends, 25+, and more—have been met with great enthusiasm and success. Mondi is proud to bring this rich culture to a nation that shares a great deal of history with the Caribbean.

FAWAKA

Dushi

The Chef ↘

What does 'Fawaka Dushi' mean? Fawaka means: "how's it going" in Surinam. In Papiamentu -the native language of Curaçao - "Dushi" has a variety of meanings, such as: sweetheart, tasty, or good.

Why the phrase? Well, the Mondi founders, Justin Niessen, and Mariska Nunes, both originate from Curaçao and Surinam. They combined ideas, cultures, and cuisine to create the concept Mondi.

So, why not combine these sayings as well?
